Science Night
What a fantastic Science night we had on the last day of Term 3. Thank you to all who attended. The staff were thrilled with the number of families that attended and had a go at the different science experiments. Thank you to Mrs Van Breugel for all her hard work getting things organised. We even had our own Scientist there to oversee it all. Check out the photos on the other pages.

Mrs Rose Howell and Max will be leaving us next year and moving closer to Melbourne and family. Rose has a job at St Agatha’s, Cranbourne. This will be an exciting move for them both and we wish them well.

2016
It is that time of year again. If you are not going to be here next year could you please let me know as soon as possible so that we can start to look at next year’s class lists.
Also Prep enrollments are being finalised now as the Government is taking count of numbers before the end of October.

Science Night

Magnets, compasses, bridge building, helicopters, phones, optical illusions all fun activities during our Science Night.
Our next meeting will be held in Term 4 on Tuesday 13th October at 9am in the staff room.

**Tuck Shop Roster**

**Thurs 15th Oct** - Kylee Walsh & Kristy Walsh
**Friday 16th Oct** – Melissa Ballantine & Skye McKendry
**Thurs 22nd Oct** – Mandy Bialy & Shirley Weir
**Friday 23rd Oct** – Christie Grant & Karen Davis

**Walk to School/Day for Daniel Breakfast**
Our next school Breakfast event will be held on Wednesday 21st October at 8:00am in the hall. Also on this day we will be participating in some Wellbeing activities focusing on Child Safety Awareness. We ask that you wear something red on the day and bring a gold coin which will go towards the Daniel Morecombe foundation. We will also be celebrating Walk to School October which encourages families to walk to school throughout October. We encourage you to walk to school and then enjoy a healthy breakfast together as a school community. We are looking forward to seeing you all there. Please remember that children must be accompanied by an adult to attend the breakfast.

**Thank You**
A big thank you is extended to the Vella, Cosgriff, Tiniline and Pearce-Plunkett families for generously donating 3-4 days of their holidays to water our school vegetable garden. Your efforts got our new baby veggies through those scorching days! Thank you also to Jake and Emma Heusmann for, once again, very generously donating another lovely range of veggie seedlings at the end of last term. Our vegetable garden is a credit to the enthusiasm and generous work of our school families!

**Dear Parents**
The children attended Life Education this week. As a follow up there is information available for parents on the Life Education website. Just visit [www.lifeeducation.org.au](http://www.lifeeducation.org.au)

If you click on the parent section you will see an area which says “What my child learned”. If you click on that section you can choose the module your child took part in and see some follow up activities.

Below are the modules that the grades participated in:

- 4/5/6  bCyberwise
- 3  Harold’s Diary
- 1/2  Harold’s Heroes
- Prep  Clued Up
